About Ralliwolf

Ralliwolf being the pioneer of Power tools manufacturing in India, started the journey 60 years ago in collaboration with Wolf UK. Today, after more than six decades, Ralliwolf continues its unwavering commitment to provide comprehensive solutions to its customers across various segments, including power tools, welding equipment, air tools, motors, and farm equipment.

The manufacturing takes place in a state-of-the-art factory located in Ahmednagar, Pune, equipped with sophisticated technology and a highly experienced engineering team.

The company's primary focus is on excelling through innovation, design, technology, and implementation. Ralliwolf boasts a pan-India presence and is represented through 22 locations by its dedicated sales and service team.
